

Verizon Wireless Schools Program

Get your family on Verizon Wireless today — and your school wins too!

With the Verizon Wireless Schools Program, as a member of your school organization, when you sign up for a new line of service on a 1- or 2-year calling plan, Verizon Wireless will pay your organization \$25. That's money it can use for any number of important needs. Already a Verizon Wireless customer? Any new line of service added to your existing account earns too.

\$25

will go directly to your school organization for each new one- or two-year activation.

It's a great way for the whole family to help a good cause while joining America's Most Reliable Wireless Network.

Just contact the following Verizon Wireless Representative to take advantage of this offer (please be prepared to provide the "SFO Number" found at the bottom of this flier):
